# Eysa Mesih yaxshi padichidur

*Injil Yuhanna 10 - bab, 1-18 - ayet*

«Berheq, berheq, Men silerge éytimenki, qoylarning qotinigha ishiktin kirmey, bashqa yerdin atlap kirgen kishi oghri we bulangchidur. Lékin ishiktin kirgen kishi qoylarning padichisidur. Derwaziwen uninggha ishiqni achidu we qoylar uning awazini anglaydu we u öz qoylirini, herbirining ismini atap chaqirip, sirtqa chiqiridu.

U öz qoylirini sirtqa chiqarghandin kéyin, ularning aldida mangidu. Qoylar uning awazini tonughachqa, uninggha egishidu. Lékin ular yat kishige egeshmeydu, belki uning awazini tonumighachqa, uningdin qachidu».

Eysa bu temsilni ulargha éytti. Emma özlirige néme éytmaqchi bolghinini ular uqmidi. Shuning üchün Eysa ulargha mundaq dédi:

«Berheq, berheq, Men silerge éytimenki, qoylarning ishiki men özümdurmen. Mentin ilgiri kelgenlerning hemmisi oghri we bulangchidur, lékin qoylar ulargha qulaq salmidi. Ishik Men özümdurmen. Men arqliq kirgenler qutquzulup, kirip-chiqip yaylaq tapidu. Oghri peqet oghrilash, boghuzlash we yoqitish üchünla kélidu. Men bolsam ular hayatliqqa érishsun, ularda ashqudek hayatliq bolsun, dep keldim. Yaxshi padichi men özümdurmen. Yaxshi padichi qoylar üçün öz jénini pida qilidu. Lékin qoylirining igisi bolmigan, heqiqiy padichi bolmigan yallanghan kishi börining kélidighinini körse, qoylarni tashlap qachidu we böre kélip, qoylarni tutuwélip parakende qilidu. Yallanghan kishi yallanghan bolghini we qoylарга köngül bölmigini üçün qachidu.

Yaxshi padichi men özümdurmen. Ata méni tonughandek we men Atini tonughandek, men méningkilerni tonuymen we méningkiler méni tonuydu. Qoylar üçün öz jénimni pida qilimen. Méning bu qotandin bolmigan bashqa qoylirimmu bar. Ularnimu chaqirip bashlishim kérektur. Ular méning awazimni anglaydu. Shuning bilen ular bir pada bolidu we ularning bir padichisi bolidu. Jénimni béríp uni qayturuwélishim üçün men öz jénimni pida qilimen. Shuning üçün Ata méni söyidu. Héchkim jénimni mendin alalmaydu, belki Men uni öz ixtiyarim bilen pida qilimen. Uni bérishke qudritim bar we uni yene qayturuwélishqa qudritim bar. Bu emrni Atamdin qobul qildim».
